

## ST-HDV

ACRYLIC GLASS FRONT PROJECTION SCREEN

### ST-HDV - HARDCCREEN

ST-HDV is the very first patented acrylic glass front projection screen, created by Screen-Tech. Titanium dioxide white, the whitest white in the world, makes this screen to unique upper class reference screen.

ST-HDV is a alternate to standard fixed frame screens and a highlight because of the noble acrylic glass for any presentation or naturally at home cinemas and for new touchscreen applications.

### BETTER IMAGE QUALITY

ST-HDV Screen offers incomparably HDTV quality, especially through the micro fine-matte surfaces and the titanium white color. You can use the screen from both sides. No more yellowish or formation of wrinkles which was knowing from flexible fabrics.

### SOME PARTICULARITIES

- *Perfect resistant surfaces*
- *Dimensions up to 3,05 x 2,03 m*
